

Confirmation according to Point 1&2 of CMC 1 of Annex II, Part I of Regulation 2019/1009 – Fertilizing Products Regulation

REACH Confirmation

With this we, _____, confirm that the following product(s) which we supply:

-

are compliant with FPR 2019/1009 Annex II CMC 1, are Virgin Material substances or mixtures not listed in the FPR 2019/1009 Annex II part II CMC 1 article 1 (a-l), and fulfill the conditions from one of the below options:

Option 1

registered according to Regulation (EC) No 1907/2006 (REACH) with a dossier containing:

1. the information provided for by Annexes VI, VII and VIII to Regulation (EC) No 1907/2006, and
2. a chemical safety report pursuant to Article 14 of Regulation (EC) No 1907/2006 covering the use as a fertilizing product.

Option 2

explicitly covered by one of the registration obligation exemptions provided for by Annex IV to Regulation (EC) No 1907/2006 or by points 6, 7, 8, or 9 of Annex V* to that Regulation. Please use the text below to describe the specific exemption that is claimed if applicable.

Option 3

Is a polymer that meets the requirements for polymers under CMC 1 as described in FPR 2019/1009 Annex II part II CMC 1 article 1(f).

Origin

To be a CMC 1 material the products supplied cannot be listed in FPR 2019/1009 Annex II part II CMC 1 article 1 (a-l). For compliance it is necessary to have a brief description of the origin of the material and how it is acquired/ synthesized to guarantee it is a virgin material and not for example a waste by-product. Please a brief description of the origin of the supplied product below, if specific information is confidential please indicate this in the text box as well.
